

The process of exploration

Handout RP6

Use this sheet to record the various processes of exploration you undertake into the theatre tradition and its performance conventions.

Summarize the context of the tradition by answering the following questions.

What are the origins of your selected tradition, and what is the relationship to the cultural context in which it originated? What are/were its functions?

Identify the key conventions from the tradition.

Body	
Face	
Gesture	
Movement	
Voice	

Describe the challenge of exploring a convention from the tradition by completing this sentence.

The challenge of exploring the convention is:

List the process of how you will physically explore this convention using five bullet points.

•

•

•

•

•

Identify any appropriate material that you could use to demonstrate the performance convention and apply your learning.

Describe the challenge of applying this performance convention to the material by completing the following sentence.

For me, the challenge of applying the convention is:
